## Initiation Programs and Adult Formation

The RCIA process is one of conversion and spiritual formation for individuals interested in living the Christian life in the Catholic tradition. It is a time of prayer, reflection, study, faith sharing, discernment and participation in the life of the parish. This process is for adults and children (age 7-17) who have never been baptized, those who were baptized in another faith tradition, or those who were baptized Catholic and seek full initiation. **For more information contact Lisa Wienhoff at 757-595-0385 ext. 131**

**Walking with Purpose (WWP)** is a parish-based Bible study program for adult women, it incorporates at-home Scripture study, weekly small group discussion, and monthly talks on relevant study material.

The current study, **Discovering Our Dignity**, meets at **Saint Michael Hall** on **Wednesday's**, following the 6:30pm Mass, **register online at [olmc.org](http://olmc.org)**

Women of the Old and New Testaments were as flawed and broken as we can be, yet the power of God worked in their lives. **Discovering Our Dignity** will allow you to learn from their experiences and uncover ways to deal with unwanted circumstances and deferred hopes.

**For more information contact Lisa Wienhoff at 757-595-0385 ext. 131 or email her at [lwienhoff@olmc.org](mailto:lwienhoff@olmc.org)**

**That Man is You (TMIY)** honestly addresses the pressures and temptations that men face in our modern culture, especially those relating to their roles as husbands and fathers. The program harmonizes current social and medical science with the teachings of the Church and the wisdom of the saints to develop the vision of man fully alive!

**Saturday Mornings, 7am - 8:30am at Saint Michael Hall, register online at [olmc.org](http://olmc.org)**

PARADISUS DEI

## Pastoral Care

We support caregivers through the gift of faith. That's what we do. Nourish for Caregivers is a 501 (c)(3) nonprofit connecting caregivers to others and essential resources. Through Nourish, caregivers find hope, healing and learn to thrive.

**Nourish**  
For Caregivers

### November is National Family Caregivers Month

Join us at 5:30pm on the first Wednesday of every month at Manion Hall

**Caring for the Caregiver** Virtually every one of us will care for a loved one at some time in our life. Though rewarding, it is not always easy. **Nourish for Caregivers** is for anyone juggling the challenges of everyday life, health, career and caring for an aging parent, spouse, child, or grandparent, in town or at a distance. **Nourish for Caregivers** provides caregivers a faith perspective, as well as practical and emotional support, useful tools, and shared experiences.

Discover the blessings that come from caring for another, and at the same time fill your heart, mind, body and soul with love and hope of Jesus Christ. Our parish is pleased to offer

**Nourish for Caregivers** - Caring for you as you care for another!

Contact Christa at extension 107 or email [cblomstrom@olmc.org](mailto:cblomstrom@olmc.org) for more information.

#### **When you need a break. The Respite Ministry is there to help.**

Your role as a family caregiver is an important one. The Respite Ministry offers compassionate care provided by trained parishioners who provide safety, supervision, and companionship to the homebound loved one. If you are a full-time caretaker of a home-bound loved one, call the parish office to inquire about Respite Care.

#### **How can respite care help the family caregiver?**

##### **Take regular breaks for better health.**

Family caregivers often don't have enough time to take care of their own health. If this sounds like you, a couple of hours of respite care can free up time for you to visit your doctor, meet a friend for coffee or take a walk. These small steps can lower your stress level.

##### **Build trust with a backup caregiver.**

Family caregivers are deeply devoted to their loved ones and may find it difficult trust their care to anyone else. Establishing a relationship with respite caregivers you trust can be beneficial for the future if something comes up and you need backup care on short notice.

##### **Give your loved ones a break, too.**

Caregivers sometimes feel they are letting their loved one down if they don't handle all the care themselves, but there's something else to consider. Occasional visits from a trusted respite caregiver offers your family member an opportunity to socialize with another. A few hours of respite care can leave you both feeling refreshed and more relaxed.

Contact Christa at 757-595-0385 x 107 or [cblomstrom@olmc.org](mailto:cblomstrom@olmc.org) for more information.

**Planning for this life, and the next.**
